Strong 1QFY27; multiple growth engines gain traction

Earnings above estimates

- MTAR Technologies (MTARTECH) delivered a strong 1QFY27 performance, with revenue/EBITDA increasing 2.3x/3x YoY, led by 2.1x YoY growth in fuel cells (61% of revenue) and 4.7x YoY growth in products division (28% of revenue). The order book grew 5.5x YoY/2x QoQ to INR51.4b, with strong inflows (~INR29.2b) in the fuel cells segment (~INR23.3b).
- Further, drastic improvement in working capital to 59 days (vs. 172 in FY26, guidance for FY27 is 100 days) strengthens cash flows and balance-sheet quality. With strong order book growth across segments, ongoing fuel-cell capacity expansion, robust nuclear opportunities, expected doubling of aerospace revenue in FY27, and growing contribution from Product Solutions & Data Centre Infrastructure, we believe MTARTECH is well positioned to achieve growth across all segments.
- Factoring in strong 1QFY27 results, we raise our FY27/FY28 earnings estimates by 9%/2%. **We reiterate our BUY rating on the stock** with a TP of INR7,550 (50x FY28E EPS translating into a ~0.4x PEG ratio on FY26-28E EPS CAGR).

Favorable operating leverage drives margin expansion

- MTARTECH's consolidated revenue grew 2.3x YoY to INR3.6b (est. INR3.1b). EBITDA grew 3x YoY to INR851m (est. INR673m). EBITDA margin expanded 550bp YoY to 23.6% (est. 21.5%). Gross margin was 45.5% (-870bp YoY) due to a change in the product mix. Employee costs/other expenses as a % of sales stood at 12.9%/9.0% (-900bp/-510bp YoY), indicating operating leverage.
- Adj. PAT surged 4.7x YoY to INR502m (est. INR399m) for the quarter.
- Revenue from Clean Energy – Fuel Cell/Aerospace & Defense (A&D)/ Product & Others grew 2.1x/47%/4.7x YoY to INR2.2b/INR364m/INR1b, while Clean energy–civil nuclear declined 41% YoY to INR32m.
- The order book as of Jun'26 stood at INR51.4b (vs. INR25.8b/INR9.3b in Mar'26/Jun'25), with inflows of ~INR29b in 1QFY27 (INR24.8b in FY26). The order book mix was ~66.7%/13.3%/7.4%/12.6% for Clean Energy – Fuel Cell/Clean Energy – Nuclear/A&D/Product & Others.
- NWC days declined to 59 as of Jun'26 from 172/267 as of Mar'26/Jun'25, led by better payment terms with customers, faster collection cycles and weekly monitoring of receivable and inventory. The inventory/receivable/ payable days stood at 145/82/168 (vs. 140/208/176 in Mar'26). Management aims to maintain NWC level at ~100 days in FY27 (vs. previous guidance of 150-172 days).

Research Analyst: Sumant Kumar (Sumant.Kumar@MotilalOswal.com) | **Swapnil Upadhyay** (Swapnil.Upadhyayk@MotilalOswal.com)

Highlights from the management commentary

- **Guidance and capacity:** The company has reiterated its FY27 guidance of ~80% revenue growth and EBITDA margins of 24% (±100bp). Management targets 4-5x asset turn on incremental capex (INR5b by FY28 and 70% for fuel cell). The company is commissioning Fuel Cell Phase-2 expansion by Sep-Oct'26 and a multi-fold Phase-3 expansion by Mar'27. Management stated that all current orders will be executed in three years.
- **Civil Nuclear:** MTARTECH's nuclear business is entering a strong growth phase, backed by its largest-ever order for Kaiga 5 & 6 (INR5b), expected refurbishment orders and a total nuclear order book likely to exceed INR8b (INR1.3b expected in 2QFY27). Execution is set to accelerate from 2HFY27, while upcoming opportunities such as Mahi Banswara (four reactors) and future Prototype Fast Breeder Reactor (PFBR) projects provide additional growth visibility. With India's target of 100GW nuclear capacity by CY47; nuclear segment emerging as a long-term sustainable growth driver.
- **A&D:** This segment is entering volume-led growth phase as multiple qualified products transition from first-article approvals to commercial production. The company expects segment revenue to double in FY27, supported by increasing orders from MNC customers, domestic defense opportunities exceeding INR2.5b and strong traction in actuator assemblies, wing flaps and electromechanical systems. Management believes A&D revenue will reach INR6-7b in the next 3-4 years (vs. INR1b in FY26).

Valuation and view

- MTARTECH has a strong order book of ~INR51.4b as of Jun'26, driven by a healthy pipeline across the clean energy (fuel cells), A&D, nuclear sectors, and products & others. Further, commercialization of new products and onboarding of new clients across all segments will drive further growth. We anticipate these initiatives to translate into strong growth and margin expansion, led by operating leverage, as guided by the management.
- Working capital concerns have been addressed with better payment terms and capital advances, leading to strong operating cash flow. Management indicated that ongoing measures will help to sustain NWC at ~100 days in FY27.
- We estimate a CAGR of 78%/98%/118% in revenue/EBITDA/adj. PAT over FY26-FY28. **We reiterate our BUY rating on the stock** with a TP of INR7,550 (based on 50x FY28E EPS and translating into a ~0.4x PEG ratio on FY26-28E EPS CAGR).

Highlights from the management commentary

Guidance & Outlook

- Management reiterated FY27 guidance of ~80% revenue growth with EBITDA margin of 24% (±100bp) while indicating confidence of outperforming the current guidance.
- Order book has already crossed management's FY27 target, providing strong visibility for the next several years.
- Management expects 2HFY27 to be significantly stronger than 1HFY27 for Clean Energy, Nuclear and Product Solutions businesses.

- The company believes it is at an inflection point in all three major verticals—Civil Nuclear, Clean Energy and A&D.
- Focus remains on scaling up execution, improving operating leverage, expanding capacities and improving EBITDA margins as revenues ramp up.
- Management expects A&D revenue to double in FY27, while Clean Energy remains the largest growth driver.
- Long-term growth visibility remains strong due to favorable industry tailwinds in Nuclear, Clean Energy, Data Centers and Aerospace.

Order Book & Execution

- Closing order book stood at INR51.4b at 1QFY27 end, exceeding management's earlier FY27-end target of INR50b.
- The company subsequently received an additional ~INR8b order, taking total order book to approximately INR59b+.
- Record order inflows were witnessed during the quarter across key segments.
- Nuclear order book is expected to reach approximately INR8.1b (incl. expectation of INR1.3b), the highest in company history.
- Nuclear orders are expected to be executed over the next 3-3.5 years, while refurbishment projects have a two-year execution cycle.
- Management highlighted that many long-cycle projects are entering the execution phase, supporting strong revenue growth over the next few years.
- Demand visibility remains substantially ahead of current production capacity in several businesses.

Clean Energy, Fuel Cells & Data Centre Infrastructure

- Clean Energy continues to be the largest revenue driver and remains the company’s highest-growth business.
- Fuel-cell expansion is progressing as planned: Phase 1 already commissioned, Phase 2 to be operational by Sep-Oct'26 and Phase 3 (multi-fold capacity expansion) to be commissioned by Mar'27.
- Management indicated Phase 3 capacity expansion is significantly larger than previously disclosed, though exact numbers cannot be shared due to NDA restrictions.
- Extensive manpower hiring, training and automation initiatives have already begun ahead of capacity commissioning.
- Product demand remains extremely strong, with continuous order inflows from key customers.
- MTAR has entered the Data Centre Infrastructure Solutions segment and secured an initial order of approximately INR450m.
- The company is currently completing first-article qualifications and expects meaningful scale-up thereafter.
- Management indicated potential demand for eight similar infrastructure sets annually, creating a sizeable long-term opportunity.
- Current Data Centre Infrastructure business is entirely export-oriented.
- Concerns around slowdown in US data center investments were dismissed by management, which continues to see strong customer demand.

Civil Nuclear & PFBR Opportunity

- MTAR received its largest-ever nuclear order during the quarter for Kaiga Units 5 & 6.
- The company expects additional INR1.3-1.4b refurbishment orders during the current quarter.
- Total refurbishment opportunity across existing reactors exceeds INR2b.
- Execution of major nuclear orders is expected to accelerate from 2HFY27 onward.
- Management highlighted that the Civil Nuclear business has transitioned into a more sustainable growth phase with significantly lower cyclicality than in the past.
- MTAR supplied a majority of critical assemblies for India's Prototype Fast Breeder Reactor (PFBR) program, which recently achieved criticality.
- Following PFBR criticality, management expects meaningful opportunities from future breeder reactor programs.
- For the proposed Mahi Banswara Nuclear Project (four reactors), the opportunity size is expected to be larger than Kaiga 5 & 6 due to the higher number of reactors.
- The government's target of 100GW nuclear capacity by 2047 creates a substantial long-term opportunity pipeline for MTAR.
- Management believes nuclear momentum is likely to remain strong for many years given the government's aggressive capacity addition plans.

A&D and Product Solutions

- A&D continues to witness strong momentum as several qualified products enter commercial production.
- Management expects A&D revenue to double in FY27.
- Key domestic defense opportunities include: LCA Tejas Mk-1A actuator assemblies, Wing flaps and electromechanical actuators and Multiple niche defense programs.
- MNC aerospace customers are increasing order volumes for already-qualified products, providing multi-year visibility.
- Dedicated aerospace facilities and NADCAP-approved special process facilities are supporting future volume growth.
- Auckland aerospace facility is expected to become operational by Oct'26.
- Product Solutions revenue has increased sharply and now contributes nearly 50% of the Clean Energy run-rate.
- Growth is being driven by a combination of aerospace, defense, clean energy and other engineered products developed over the past few years.
- Ball screw assemblies are witnessing strong export demand, including a large contract from a multinational customer.
- Management expects Product Solutions to continue growing rapidly as more qualified products move into volume production.

Other Points

- Working capital days improved significantly to 59 from 172 in FY26.

- Management now expects working capital to remain below 100 days, driven by: better customer payment terms, improved credit arrangements, faster collection cycles and weekly monitoring of receivables and inventory.
- Operating cash flow remained strong at INR2.48b.
- Net debt is effectively negligible after adjusting investments and cash balances.
- MTAR plans to invest approximately INR5b capex over FY27-FY28.
- Around 70% of capex will be directed toward Clean Energy, while 30% will support Nuclear, Aerospace and Defense.
- 1QFY27 capex stood at approximately INR350m.
- Future growth investments will be funded through a combination of internal accruals and debt.
- Management targets 4-5x asset turnover on incremental capex, indicating strong capital efficiency expectations.

Valuation and view

- MTARTECH has a strong order book of ~INR51.4b as of Jun'26, driven by a healthy pipeline across the clean energy (fuel cells), A&D, nuclear sectors, products & others. Further, commercialization of new products and onboarding of new clients across all segments will drive further growth. We anticipate these initiatives to translate into strong growth and margin expansion, led by operating leverage, as guided by the management.
- Working capital concerns have been addressed with better payment terms and capital advances, leading to strong operating cash flow. Management indicated ongoing measures to sustain NWC at ~100 days in FY27.
- We estimate a CAGR of 78%/98%/118% in revenue/EBITDA/adj. PAT over FY26-FY28. **We reiterate our BUY rating on the stock** with a TP of INR7,550 (based on 50x FY28E EPS and translating into a ~0.4x PEG ratio on FY26-28E EPS CAGR).

Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412 and BSE enlistment no. 5028. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL),NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products and is a member of Association of Portfolio Managers in India (APMI) for distribution of PMS products. Details of associate entities of Motilal Oswal Financial Services Ltd. are available on the website at http://onlinereports.motilaloswal.com/Dormant/documents/Associate%20Details.pdf

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx. As per Regulatory requirements, Research Audit Report is uploaded on www.motilaloswal.com > MOFSL-Important Links > MOFSL Research Analyst Compliance Audit Report.

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the"1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore.This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL .

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
