

TECHNICAL BUILDUP

OUTLOOK OF THE DAY

- Bullish candle with decrease in volume
- Buy crossover in oscillators
- Lower band of Bollinger exist at 24879
- Crucial moving average of 20/50 SMA are at 25443 and 25803
- 200 SMA trend deciding level exist at 25254

Indian Equity Market Performance:

Indian equity markets turned in a mixed performance on Friday with investors digesting the Reserve Bank of India's rate decision and views on the economy, in addition to reacting to the earnings updates.

Sectoral Front Performance:

On the sectoral front, IT index shed 1.5%, pharma index down 0.7%, auto and PSU Bank indices slipped 0.5% each, while FMCG index rose 2.2%, and oil & gas, consumer durables, Private Banks, realty up 0.5% each.

Technical Analysis:

The Nifty ended the previous session on a firm note, forming a bullish candle with a long lower shadow on the daily chart, a sign of buying interest emerging at lower levels. The index closed marginally above its 50-day moving average, indicating a brief pause in momentum, while continuing to trade above other key moving averages. Short- and medium-term averages remain on an upward trajectory, reinforcing the broader positive undertone. The index also held on to its bullish gap on a closing basis, lending further support to sentiment. Momentum indicators remain supportive. The MACD continues to show a bullish crossover with a rising histogram, while the RSI, though easing slightly to 53, remains above the neutral mark, signalling underlying strength. Technically, the 100-day EMA zone of 25,500–25,550 is seen as immediate support, followed by 25,200. On the upside, the 25,850–25,880 band is likely to act as a key resistance zone. A sustained move above 25,880 may pave the way for further gains toward 26,000 and 26,200 in the near term.

Option Activity:

On the option front, maximum Put OI is at 25600 followed by 25500 strike, while maximum Call OI is at 26000 followed by 25800 strike. Call writing was seen at 25600 strike, followed by 25700 strike while Put writing was seen at 25600 strike, followed by 25500 strike.

ECONOMY NEWS

India will have no difficulty in purchasing goods worth \$500 billion from the US over the next five years, as envisaged under the bilateral trade pact, and in fact, this is an "extremely" conservative number for a country which aspires to become a \$30 trillion economy, Commerce Minister Piyush Goyal said on Sunday. (BS)

India's interim trade agreement framework with the US, along with Washington's invitation to New Delhi to join the Pax Silica initiative, could help India regain its centrality in America's Indo-Pacific strategy and reduce its reliance on China for critical minerals. (BS)

E-commerce (ecom) and quick commerce (qcom) platforms are expected to lead gig worker hiring in calendar year 2026 (CY26), adding nearly 1 million workers on the back of sustained demand for last-mile deliveries, higher order volumes, and continued expansion of dark stores into non-metropolitan cities, industry experts have said. (BS)

The edible oil and soybean processing industry has cautiously welcomed the India-US interim bilateral trade agreement announced on Saturday, but is awaiting crucial details on tariff cuts, quota mechanisms and quality specifications. (BS)

The Jammu and Kashmir government has generated about ₹2,152 crore in revenue from the auction of liquor shops over the past two financial years, and has no proposal to open new wine shops during 2026-27, according to official data. (BS)

Indian refiners are avoiding Russian oil purchases for delivery in April and are expected to stay away from such trades for longer, refining and trade sources said, a move that could help New Delhi seal a trade pact with Washington. (BS)

India has agreed to provide import duty concessions to certain US agricultural products such as dried distillers' grains (DDGs), red sorghum and apples for animal feed. (BS)

CORPORATE NEWS

Reliance Consumer Products, subsidiary of Reliance Industries, has acquired a majority stake in Australia's popular "better-for-you" beverage company, Goodness Group Global (GGG), will help promote healthy beverage brands, such as Nexba and PACE.

Tata Chemicals has announced an investment of Rs 515 crore to set up a new greenfield manufacturing facility in Tamil Nadu as part of its capacity expansion and supply-chain strengthening strategy. The facility will manufacture iodised vacuum salt dried (IVSD) and will have an installed capacity of 210 kilo tonnes per annum (KTPA).

Following the in-principle approval of the Cabinet Committee on Economic Affairs (CCEA), Power Finance Corporation (PFC) has acquired 52.63 percent of the government's shareholding in REC. Accordingly, PFC and REC are now operating as holding and subsidiary companies.

The US FDA inspected Unit III, a formulation manufacturing facility of Eugia Pharma Specialities—a wholly owned subsidiary of Aurobindo Pharma—at Pashamylaram, Telangana. The inspection concluded with 11 observations, which the company said are procedural in nature.

Ipca Laboratories Active Pharmaceutical Ingredients (API) manufacturing facility at Tarapur (Palghar, Maharashtra) has received the Establishment Inspection Report, classifying the facility as Voluntary Action Indicated (VAI). This indicates that the facility is in a minimally acceptable state of compliance with current good manufacturing practices (CGMP).

BEML has approved an estimated investment of approximately Rs 1,500 crore for a greenfield rail manufacturing facility, 'BRAHMA', at Umariya in Madhya Pradesh. The project is expected to be completed in a phased manner over five years.

Mahindra Industrial Park Chennai (MIPCL), a joint venture between Mahindra World City Developers and Japan's Sumitomo Corporation, has announced the commencement of operations of Mitsubishi Electric India's air-conditioner and compressor manufacturing facility at Origins by Mahindra in Chennai.

Force Motors has executed a Memorandum of Understanding to acquire 100 percent equity shares in Veera Tanneries for Rs 175 crore, subject to the deduction of applicable taxes.

ANALYST CERTIFICATION

The undersigned analyst hereby certifies that all the opinions presented in this report accurately reflect their personal views regarding the subject securities, issuers, products, sectors, or industries. No part of their compensation has been, is, or will be directly or indirectly tied to specific recommendations or views expressed in this report. The analyst assumes primary responsibility for the creation of this research report and has diligently endeavored to establish and maintain independence and objectivity in formulating any recommendations.

Investors are strongly advised to carefully consider all relevant risk factors, including their financial condition and suitability to risk-return profiles, and to seek professional advice before making any investment decisions.

 Ashika Stock Services Limited (ASSL) commenced its operations in 1994 and is currently a trading and clearing member of various prominent stock exchanges, including BSE Limited (BSE), National Stock Exchange of India Limited (NSE), Metropolitan Stock Exchange of India Limited (MSEI), National Commodity and Derivative Exchange (NCDEX), and Multi Commodity Exchange (MCX). ASSL is dedicated to offering a comprehensive range of services to its esteemed clients, encompassing broking services, depository services (both CDSL and NSDL), and the distribution of financial products such as mutual funds, IPOs, and bonds.

Recognized as a "Research Entity" under SEBI (Research Analyst) Regulations 2014 since 2015 (Registration No. INH000000206), ASSL operates as a wholly-owned subsidiary of Ashika Global Securities (P) Ltd., a non-deposit-taking NBFC company registered with the Reserve Bank of India (RBI). The broader Ashika Group, with detailed information available on our website (www.ashikagroup.com), serves as an integrated financial service provider involved in diverse activities, including Investment Banking, Corporate Lending, Debt Syndication, and other advisory services.

Over the past three years, ASSL has not faced any substantial or material disciplinary actions imposed by regulatory authorities. Nonetheless, routine inspections conducted by SEBI, Exchanges, and Depositories have identified certain operational deviations. In response to these observations, advisory letters or minor penalties have been issued by the relevant authorities.

DISCLOSURE

ASSL prepares and distributes research reports solely in its capacity as a Research Analyst under SEBI (Research Analyst) Regulations 2014. The disclosures and disclaimer provided herein are integral components of all research reports being disseminated.

- 1) ASSL, its associates, and its Research Analysts (including their relatives) may hold a financial interest in the subject company(ies). This financial interest extends beyond merely having an open stock market position and may include acting as an advisor to, or having a loan transaction with, the subject company(ies), in addition to being registered as clients.
- 2) ASSL and its Research Analysts (including their relatives) do not possess any actual or beneficial ownership of 1% or more of securities in the subject company(ies) at the conclusion of the month immediately preceding the publication date of the source research report or the date of the relevant public appearance. Nevertheless, it is noted that associates of ASSL may hold actual or beneficial ownership of 1% or more of securities in the subject company(ies).
- 3) ASSL and its Research Analysts (including their relatives) do not possess any other material conflict of interest at the time of publishing the source research report or the date of the relevant public appearance. It is important to note, however, that associates of ASSL may have an actual or potential conflict of interest, distinct from ownership considerations.
- 4) ASSL or its associates may have received compensation for investment banking, merchant banking, and brokerage services, from the subject companies within the preceding 12 months. However, it is important to clarify that neither ASSL, its associates, nor its Research Analysts (who are part of the Research Desk) have received any compensation or other benefits from the subject companies or third parties in relation to the specific research report or research recommendation. Furthermore, Research Analysts have not received any compensation from the companies mentioned in the research report or recommendation over the past twelve months.
- 5) The subject companies featured in the research report or recommendation may be a current client of ASSL or may have been a client within the twelve months preceding the date of the relevant public appearance, particularly for investment banking, merchant banking, or brokerage services.
- 6) ASSL or its Research Analysts have not been involved in managing or co-managing public offerings of securities for the subject company(ies) within the past twelve months. However, it is worth noting that associates of ASSL may have managed or co-managed public offerings of securities for the subject company(ies) in the past twelve months.
- 7) Research Analysts have not held positions as officers, directors, or employees of the companies mentioned in the report or recommendation.
- 8) Neither ASSL nor its Research Analysts have been engaged in market making activity for the companies mentioned in the report / recommendation.
